To prove this, our bold asser-tion, we challenge the reader to find us six popular ministers in Pennsyl-vania who dare dreach the whole truth of God to their respective congregations, not at once bring on the sorest troubles in their charges, find among their sup-porters. And that there may be no misgiving them their true and egitimate in-terpretation, speak out boildy the word of the Lord. We have never seen a finer bit of asr. casm than the following from one of our town papers:

A little Shelbyville boy, who is in the habit of saying his prayers before going to bed, the other night asked his mother: "Mamma, how long will it be before I'm his enough to quit saying my prayers? You never any yours, do your." And tie mother said: "Little boys shouldn't ask so many questions. Got osleep, my child."

But what makes the sarcasm more sad and causid; it would supply to a vast midtitude of mothers and fathers and big brothers, loo, who have long since "graduated" from Sunday School and church, and never attend except as "visitors" or speciators of some sensation or "perform ance" that is likely to hitract a crowd. And as to saying their prayers or bowing their heads in thanks at mest, why, this is about as rare as old fashioned bread and milk for supper. L. Taylor, Hinsdale, N. H. writes: "For thirty years I have been greatly troubled with Itching Piles: have consulted many remedies, which proved to me no remedies at all, until fobtained Dr. Swayne's Ontment at Thomas' drug store in Brattleboro, Vt., which cured me completely, Swayne's Ointment is sold by all druggista.

our readers. He says: "In the fail of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to loose my appetite and flesh I was so weak at one time that I could not leave my bed. Is the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as hig as a haif dollar. I expended over a hundred dollars in doctors and medicines. I was see far gone at one time a report went around that I was dead. I gave up hope, but a friend told me of Dr. William Hall's Balsam for the Lungs. I laughed at my friends, thinking that my case was incurable, but I got a bottle to satisfy them, when to my surprise and gratification I commenced to feel better. My hope, once dead, began to revive, and to-day I feel in better spirits than I have for the past three years.
"I write this hoping you will publish it, so that every one inflicted with Diseased Lungs will be induced to take Dr. Wm. Hall's Balsam for the Lungs, and be convinced that Consumption can be cured. I have taken two bottles, and can positively say that it has done more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Bold by druggista.

an impure condition of the blood, when Scovill's Baraparilla and Stillingia, or Blood and Liver Byrup will restore perfect health to the physical organization. It is indeed a strengthening syrup, pleasant to take, and has proven itself to be the best blood purifier ever discovered, effectually curing scrotnia, syphilith disorders, weakness of the kidneys, eryspilas, malaris, all nervous disorders and debility, bilious complaints and all diseases indicating an impure condition of the blood, liver, kidneys, stomach, akin, etc. It corrects indigestion. A single bottle will prove to you its merits as a health renewer, for it acts like a charm, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and berrous system.

A Couon, Cold or Sore Throat should be stopped. Neglect frequently results in an incurable lung disease or consumption. Brown's Bronchial Troches do not disorder the stomach like cough syrnes and balsams, but act directly on the inflamed parts, allaying irritation, give relief in Asthma, Bronchitis, Coughs, Catarrh and the Throat Troubles which Singers and Public Spoakers are subject to. For thirty years Brown's Bronchial Troches have been recommended by physicians, and always give perfect satisfaction. Having been tested by wide and constant use for nearly an entire generation, they have attained well-merited rank among the few staple remedies of the age. Sold at 25 cents a box everywhere.
